PREFACE.

Another year has passed, and the NEWPORT DIRECTORY for 1889 is presented to our patrons and the public, with the assurance that we have done the work connected with its compilation as thoroughly as usual, and more promptly than heretofore, and have produced a book as accurate as is possible in a work of this character. Some improvement in printing has also been made, and we take pride in calling attention to the new type upon which these pages are printed.

The system of quoting the names, instead of repeating them, has met with general approbation, and is still continued in this volume. The same system now prevails in all of our publications, and is being copied by nearly all the Directory publishers in this country. It enables every one who has occasion to use the Directory to find the name which he is seeking for much quicker than formerly, and it brings out the names of those who advertise with us more prominently, and these are generally the reliable merchants and tradesmen of a city.

The General Directory contains 7795 names, including 213 removals and deaths. Of this number 1078 are new names. Twelve hundred and fifty-two (1252) names have been erased, and 1661 changes in business or location have occurred, making the total number of changes in compilation over 4000. The list of Summer Residents at time of going to press contains 504 names.

Very few are aware of the fact that a Directory (like a newspaper) cannot be furnished at a low price without the aid obtained from its advertising patrons, who by this means not only benefit themselves, but help to bear the expense attending its publication. To all our patrons who have thus aided us, and to other public-spirited citizens who have encouraged us in various ways, the thanks of the publishers are heartily given.

STREET DIRECTORY.

GIVING the location of the Streets, Places, Parks, Squares, etc., and showing what other streets and places run from them, or across them, with the number at which they intersect.

From this list, the location of any number on a street can be easily ascertained; as, for instance, wishing to know at what part of Broadway No. 220 is located, you look at Broadway upon opp. page, and find that Gould Street runs from 202, and Park Street from 226, showing that 220 would come on the left, between Gould and Park Streets.

When a street crosses another, numbers (or ciphers) are given on both sides; but when it begins or ends at that street, the number is given only on the side at which it intersects. Ciphers are used where no numbers exist.

Valuing quality above quantity the NORTHWESTERN has preferred to secure its business under salutary restrictions, rather than sacrifice those valuable points which have made it pre-eminently the Policy-Holders' Company.

During its entire history, the rate of interest earned by the Northwestern
has been and is now higher than that of any other company.

Significant Facts Concerning Interest Receipts, Death Losses, Real Estate and Rentals.

| COMPANY. | Death Losses. | Interest Receipts, including Rent. | Per Cent. | Real Estate Owned. | Rent Received. | Per cent. of rents. |
|----------------------|---------------|------------------------------------|-----------|--------------------|----------------|---------------------|
| Equitable, - - - - | 6,341,274 | 4,911,164 | .77 | 22,695,389 | 729,384 | †3.21 |
| Mutual Life, - - - - | 7,231,665 | 6,061,519 | .83 | 11,753,125 | 384,580 | *3.27 |
| New York, - - - - | 4,450,202 | 4,236,831 | .95 | 9,308,152 | 92,772 | ‡.99 |
| NORTHWESTERN, - - - | 1,346,898 | 1,771,209 | 1.31 | 1,243,468 | 79,580 | ¶6.40 |

† Nearly Twenty-four per cent. of Equitable assets earned *less* than 3½ per cent.

* Over Nine per cent. of The Mutual Life assets earned *about* 3½ per cent.

‡ One-tenth of New York Life assets earned *less* than one per cent.

¶ The Northwestern *never* earned less than Six per cent. on its *entire* assets.

For every Hundred Dollars Death Losses, the Equitable's Interest Receipts paid but \$77.00; Mutual Life's, but \$83.00; New York Life's, but \$95.00.

The Northwestern's Interest paid the *entire* Death Losses with a balance of \$31.00 to every hundred dollars Death Losses.

The Interest Receipts of the Northwestern since organization, 1858, have exceeded its losses by death by over **six million seven hundred thousand** dollars.

Some time since the Mutual Life published a table showing the relation between the Interest Receipts and Death Claims of the companies from Dec. 31, 1871, to Dec. 31, 1887, and for some reason (?)

THE NORTHWESTERN WAS OMITTED.

We submit the following table, from Dec. 31, 1871, to Dec. 31, 1888, including the NORTHWESTERN.

| COMPANY. | Interest, Rents, Etc. | Death Claims Paid. | Interest More or Less than Death Claims. | |
|-----------------------------|-----------------------|--------------------|--|-------------------------|
| | | | More than Death Claims. | Less than Death Claims. |
| NORTHWESTERN, - - - - | 22,563,541 | 15,362,914 | 7,200,627 | |
| Mutual Life, - - - - | 87,423,800 | 80,501,202 | 6,922,598 | |
| New York Life, - - - - | 43,111,954 | 37,963,713 | 5,148,241 | |
| Aetna Life, - - - - | 27,463,309 | 23,462,459 | 4,000,850 | |
| Connecticut Mutual, - - - - | 49,871,024 | 47,923,474 | 1,947,550 | |
| New England, - - - - | 15,225,242 | 16,426,722 | | 1,201,480 |
| Mutual Benefit, - - - - | 34,567,334 | 39,063,757 | | 4,496,423 |
| Equitable, - - - - | 41,987,758 | 52,668,002 | | 10,680,244 |

Notwithstanding the Mutual Life received about *four times* the amount of interest, yet there is a difference of \$278,000 in favor of the **Northwestern**.

The New York Life received about *double* the amount of interest, with a difference of \$1,052,386 in favor of the **Northwestern**.

The Equitable, also, with nearly *double* the interest receipts, shows a difference of \$17,880,871 in favor of the **Northwestern**.

The above record reveals and emphasizes two facts:

First. Neither the age, size, nor the rapid growth of a life insurance company make it "The Best," since of the above companies the "oldest and largest" is beaten in its own comparison by several younger and smaller companies; while the eastern company which boasts of "the largest new business" is put to blush by an eastern company which writes the smallest annual amount of new business of any in the list.

Second. Mere aggregate of figures, no matter how large and formidable, do not indicate superior merit. Quality is not determined by quantity.
